PART- A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement & the outcome achieved by the end of the year: -

The IQAC formed in the year 2004 comprising of the Coordinator and other Heads of the Departments has been successfully working under the guidance of the Principal and the members of the management. It is collectively working hard to achieve the goals set up by it in the beginning of the year.

The IQAC has been planning and implementing the goals and benchmark for the improvisation of the quality education for the students.

The first meeting of the IQAC was held on 03/08/2010 and the plans of action for the academic year were discussed. All the members planned a number of strategies, the problems that would be faced and the remedies to overcome them towards the improvisation in the results and overall development of the students. The members suggested that more student oriented programmes be taken up to encourage students' participation and to have their commitment in the work.

Periodically the meetings were conducted and every time a new strategy was formed. The points discussed and chalked out were:

- 1) To convene IQAC meeting periodically and to check the progress of its work.
- 2) To discuss the functions and objectives of the cell and implement them.
- 3) To setup a goal and work towards achieving it.
- 4) To increase the community programmes through NSS. To have a residential camp for 1 week under the guidance of the NSS Officer and its members.
- 5) To conduct exhibitions and keep it open for the nearby schools to expose students latest trends and technology.
- 6) To conduct PPT presentations based on the curriculum in the class room.
- 7) To conduct Technical seminars by reputed firms and also by the students from Science, Commerce & Management Departments.
- 8) To monitor the internal assessment and examination process regularly.
- 9) To collect the information and data for the AQAR.
- 10) To arrange Guest Lectures from the faculty of different fields and subjects and also by the qualified Alumni members.
- 11) Formation of Eco-club, Hobby-Club, Kannada-Peetha, Consumers' Club
- 12) More FDP for teachers

Outcome achieved by the end of the year:

The IQAC meetings were conducted periodically and the work was distributed to the members. It worked collectively to achieve the target at the end of the academic year.

- 'KOMUNIX- *A Journey of Communication*', an exhibition was arranged on 25/09/2010 by the department of Computer Science. Students of B.Sc and BCA had prepared numerous projects related to the history of communication. The exhibition was also open to PUC unit of our college and nearby school students and it helped them to understand the developments in the field of communication.
- A course on 'Communication skills' was conducted for the B.Com and BBM, B.Sc. and BCA students.
- A 7 days residential camp was arranged in the college campus during 06/12/2010 to 12/12/2010 for the NSS students.
- Workshops and Seminars were conducted by Commerce and Science Departments.
- B.Sc. students were taken to IISC (Indian Institute of Science) on 07/03/2011 to visit all the departments.
- On the eve of International Women's day i.e., 08/03/2011 a guest lecture was arranged in the college. Dr. Sarala Shetty, famous Gynachiologist gave a talk on personal hygiene and other tips for the girls to overcome their gynec problems.
- Hindi Divas was celebrated on 28/09/2010. Sri Pradhan Gurudatt, President Kuvempu Bhasha Bharathi, Government of Karnataka was the chief guest. The toppers in Hindi language exams are felicitated with cash award of Rs.500 each.
- As a part of Industrial trip the students of BBM were taken to BRM Engineering works Pvt. Ltd and also to M/s Rohit Threads Pvt. Ltd., Bangalore.
- Formation of Eco Club, Consumer Club, Hobby club and Kannada Peetha.
- FDP was arranged for the teaching fraternity by Xplore consultancy on 19-01-2011.

1. Activities reflecting the goals and objectives of the institution:

The Goals & Objectives of the institution are:

To develop Sri Aurobindo First Grade College for Women, as an excellent quality based women's education centre with the motto of competence, confidence and conduct being the vision, and providing a forum to the students for the holistic development to attain academic excellence and ensure quality as the Mission of the institution. The IQAC is showing maximum concern towards the elevation of the standards and improve the performance of the stake holders.

In order to provide value based education, the faculty of the institution is striving hard to implement the practices planned in the first meeting towards improvement.

Encouragement and orientation is provided to the students in developing enthusiasm to participate in multi skilled activities such as curricular, co-curricular and extra-curricular activities. The class seminars, presentations and debates related to curricular and co-curricular aspects conducted regularly under the guidance of the senior staff members have elevated the standards of our students and also helped them participate in various inter-class and inter collegiate competitions and bring laurels to the institution.

The Teachers also provide ample assistance to the students to peer learning by dividing them into different groups. Remedial classes are conducted for the average and below average students to give them the necessary push in the academic field. Discipline and regularity in attending classes is stressed more upon and the Attendance and Discipline Committee formed comprising of the Senior Lecturers ensures regularity and punctuality of the students and also maintains discipline in the institution. Absence from classes and indiscipline will be viewed seriously.

(I) A brief report on the activities of Sri Aurobindo Associations for the academic year 2010-2011.

Sri Aurobindo Literary, Cultural, Science and IT, Commerce and Sports Associations were inaugurated on 31st July 2010, by comedy artist and script writer Sri Richard Louise. After this auspicious start, different competitions, programmes, Guest lectures, Workshops etc., were conducted according to the Calendar of events prepared by the Conveners of the different associations. The students are encouraged to participate actively and exhibit their talents. Our students have also participated in many inter collegiate competitions and won many prizes. The activities of the associations came to an end by the Valedictory function on 19/02/2011. Prof. Mallepuram G. 2.	BBM	30	1. BRM Engineering works Pvt. Ltd., on 10/02/2011 2. Rohit threads Pvt Ltd., on 18/02/2011

2. New academic programmes initiated (UG & PG) – BCA

Bachelor of Computer Applications course has been started with this academic year 2010-2011. It's a three years course affiliated to Bangalore University. 23 students have enrolled for the course for the academic year.

3. Innovations in curricular design and transaction: NA

4. Inter-disciplinary programmes started:

Tally – 9.0 programme:

In association with Kayaka Computers the college conducted Tally 9.0 course for II - B.Com students. 16 students joined this add-on course. The course was spread into 60 hours (2 months, Feb - March) where both theory and practical classes were conducted for the students. During the course students were provided with tally Software CD and course materials. After the completion of the course students were awarded certificates.

Communication skills & Spoken English course:

We have also conducted another add-on course; Communication skills & Spoken English for the benefit of the students. 50 Students of B.Com, BBM, BCA and B.Sc. took the advantage of the course and enhanced their communication skills. During the course students were also trained to face the interviews and resume building.

Yoga class:

Yoga is a physical, mental and spiritual discipline originating in ancient India, whose goal is the attainment of a state of perfect spiritual insight and tranquility. Keeping this in mind the college had appointed a yoga teacher Smt. Parvathi to conduct yoga classes this year which was started in the month of July. Around 30 students joined the class. Lot of improvement could be seen in their health, concentration and discipline.

5. Examination reforms implemented:

Apart from the Bangalore University exams, the SAFGCW has a well-planned system to monitor the progress of the students. A working Committee to conduct the examinations is formed with a senior faculty member as the convener and four other staff members to help her/him in the smooth running. The Principal monitors the whole system and regular meetings are conducted. The college conducts regular monthly tests. The answer scripts are duly valued and given to the students within the stipulated period. The parents are informed about the performance of their wards. After counseling the students who are poor at studies and remain absent in the tests, remedial measures are taken by giving extra attention to them. Students are assessed by the concerned teachers by their Assignments/Project works in the respective subjects for the Internal assessment (10 marks). The system has worked effectively and a remarkable improvement is seen in the department wise results.

6. Candidates Qualified: NET/SLET/GATE: 2 of the teaching staff have appeared for the NET examination and are waiting for their results.

7. Initiative towards Faculty development program:

Mr. Rajendra Kulkarni of Xplore Consultancy conducted faculty development program on 19-01-2011. The faculty members improved their skills in communication and approach towards students. Retired Prof. Gururaj gave a talk on positive attitude and how to inculcate Indian culture among the new generation.

Prof. B. L. Patil, Advisor of our institution has instituted cash award of Rs.1,000 for the meritorious and economically backward students from each section (13 sections).

The management also allows the students to pay the fees in installments.

30. Activities and support from the Alumni Association.

The Alumni Family is...

*“A home...without doors that might block our view from where we have come.
A community...in which our sense of belonging comes from our sense of never
having belonged”*

The purpose of the alumni association is to have a sense of belonging with the passed pupils and to have the benefit of their wide outlook for our present students. Alumni is a very tensile string between the outside world and the institution.

OBJECTIVES

- To promote harmony, togetherness and sense of belonging amongst all students
- To create interest about the institution and work for the benefit of its students
- To have a good connection outside world of the present scenario
- To adopt new methods in teaching and realize our defects through the alumni and prepare the present students accordingly
- To maintain a data base of Aurobindo Alumni's, enabling them to reconnect with their friends
- To provide a forum for discussion of common interest issues and taking part collectively in certain awareness programmes and activities
- To serve as an advisory and resource group to our college

It is an immense pleasure in saying that an Alumni member Miss Sujatha J., is helping financially weak students for their education. Miss Kamala presented a talk on the pre-requisites of MBA aspirants for Final BBM & B.Com students.

Some of our alumni members donated text books, annual returns of companies and beautiful articles to the library, business lab & college magazine respectively.

On the occasion of the Annual day many Alumni members attended & encouraged their fellow juniors for their performances. Miss Kamala gave a splendid bharatanatyam performance during the event. Smt. Kalaivani gave a presentation to the final year students about the SAP courses. Smt. Sindhu arranged to receive the NAAC Peer team at the airport during NAAC visit.

31. Support from Parent-Teacher Association and its activities:

The Parent – Teacher association helps to strengthen the bond between the stakeholders and the institution. Parent – teacher meetings are conducted once in a semester. Here the Principal listens to the grievances of the parents and productive changes are brought about wherever necessary and possible.

In the first meeting for the academic year a list of rules and instructions to be followed is given to the parents and they are informed to guide their wards to follow the same in order to maintain discipline in the college.

The second meeting was held on 16-02-2011. Parents expressed their satisfaction regarding college environment and teaching in the college. Parents suggested circulating the printed notes for their wards and the Principal assured that it would be considered. The Parents were informed that the mobile phones are not allowed inside college premises; therefore, parents were instructed not to send the mobile phones with their wards. .

32. Health Services:

A well equipped regular Health Centre with a qualified Medical Officer with all necessary medicines & equipments is in the college Campus. Dr. Shivananda Mogali, M.B.B.S., D.C.H. is appointed as the Physician. General check up is made compulsory to every student at the end of the year. The Students and Staff of the college are given free treatment and medicines free of cost.

The campus is cleaned every day in order to maintain health and hygiene. The NSS students take keen interest in maintaining the hygiene and cleanliness of the college. On 13/03/2011 NSS students cleaned the campus with lot of enthusiasm and interest.

On the eve of International Women's day i.e., 08/03/2011 a guest lecture was arranged in the college. Dr. Sarala Shetty , famous Gynecologist gave a talk on personal hygiene and other tips for the girls to overcome their health related problems.

During the NSS residential camp a series of health awareness lectures are conducted in the institution to enlighten the students about the importance of a healthy life.

Aids awareness program:

On 26/03/2011, Red Ribbon Club had organized HIV/Aids awareness program in the college premises. Sri Siddhu Laute, a differently-abled person who is pursuing his IAS presided over the function and gave an inspiring talk to the students to overlook the physical limitations and concentrate on their goal.

33. Performance of Sports activities:

A sport is an organized, competitive, entertaining and skilful activity requiring commitment, strategy and fair play, in which a winner and loser can be defined by objective means.

The college has a very healthy and encouraging environment for sports activities. A qualified and experienced faculty has been appointed as the Physical education Director to take care of the activities related to sports. Our students regularly participate in inter-collegiate and intra-college sports activities. This year also students won many accolades for the college.

- Our students, Miss Gangothri of B.Com won the III-place in shot-put at the Inter-collegiate athletics meet conducted by Bangalore University.
- Bangalore university had conducted Inter-collegiate Chess tournament in home science college, Bangalore. Our students Miss Vaibhavi of B.Com and Praveena of BBM won the Vth and VIth place respectively.
- A throw ball tournament was conducted on the eve of International Women's' Day at Austin Town, Bangalore and our B.Com students; Anitha, Bindu, Rabecca and Gangothri got the II-Place
- Our students represented State level Karnataka Carf Ball team. Miss Gangothri and Sneha of B.Com participated in the tournament held in Nagpur, Maharashtra from 31st January 2011 to 6th February 2011
- Bangalore University conducted Women's Throw ball tournament on 17th and 18th march 2011 at MLA College, Bangalore. Our B.Com and BBM students won the II-Place in the event

Like every year, this year also Sports day was conducted on 13th January 2011. Intra- college activities like Shuttle badminton, Carom, Chess, Volleyball, Throw ball were conducted. Students took active part in the various athletic events. The winners were felicitated on College annual day.

34. Incentives to Outstanding sports persons:

The management provides TA & DA for the students and the Physical Education Director who represent our college in inter-college competitions. TA/DA for the students and staff is as follows:

	Cluster level	State level	National Level
Physical Education Director	150/-	1,500/-	2,500/-
Student	100/-	1,000/-	2,000/-

Every year the management provides T-Shirts and Track suits of worth Rs.850/- each to the outstanding achievers. This year too 24 deserving students were provided the same.

The students who are attending the tournament are given attendance during their absence in the college. The faculty members make sure that those students cope with the portions which they have missed.

35. Student achievements and awards:

The extra and co-curricular activities conducted under the auspices Sri Aurobindo Associations provided an altar to the students to exhibit their talents and also have motivated them to participate in the Inter Collegiate competitions conducted by various colleges of the city

Sl.No.	Student name	Organizer	Event	Award
01.	Miss Gangothri C.	Bangalore University	Shotput	III-Place
02.	Miss Vaibhavi	Bangalore University	Chess	V-Place
03.	Miss Praveena	Bangalore University	Chess	VI-Place
04.	Miss Anitha, Bindu, Rebecca and Gangothri	Bangalore University	Throw ball	II-Place

36. Activities of Guidance & Counseling Cell:

Counselling is like the ointment that brings instantaneous relief and relaxation. The counseling committee of our institution takes interest in students and guides them. It comprises of normally a senior faculty and the heads of the department. A register is maintained to record all the details.

The institution started the Counselling centre in the second half of the academic year 2010. The college has taken the help of the professional counsellors who visit three days in a week and counsel the students.

Miss Shilpa, Mangala and Radhika who have completed their diploma in counselling from Banjara Academy, R.T. Nagar, Bangalore were appointed as the Counselors and the students found this to be more supportive and motivating.

Here the students are free to meet the counsellors in their free time or they can communicate with them through mobiles or e-mails and get their problems solved. The arrangement is done only to help the students as the depression in youngsters these days is reaching its peak.

The counsellors help not only in overcoming their personal problems but also in guiding them towards the right profession or career. Lectures on career guidance and personality development programmes are also conducted.

37. Placement services provided to students:

The placement is the ultimate goal of the students who complete their degree. Hence the better performers are given chance through the placement cell to attend interviews in some of the best competitive firms. They get exposure to the various phases of interviews and later they get placed. With the help and guidance of some of our faculty members few of the students worked in private firms during the vacation. The economically backward students were helped to work after college hours also.

Prof. Gayathri Sudeshkumar K., Principal and Smt. Rekha Purohit, faculty, of Commerce department have helped 3 students viz., Miss Harshitha, Shobha and Chandani of III-BBM to get a job in Xplore Consultancy. Mrs. Sreevalli Bhat, HoD, Comp.Sc. Department helped Miss Pallavi K.T. to get a job in IISC as Computer operator after completion of her degree. Sri Vinod, Lecturer, Department of Comp.Sc., helped Miss Hemalatha and Nayana to get a job in a

private school as Computer teachers after the completion of their degree. Miss Geetha, worked as a part-time computer teacher during her vacation after II year. Smt. Vidya Walvekar, HoD, Physics department helped Miss Geetha of B.Sc., to work as a Computer Operator in a private institution after college hours during her III year.

Many students prefer IT and ITES firms and a few a few teaching profession also. Many prominent companies visited our institution for placement purpose. They are Job Corporation and Via visited our intuition for campus recruitment for their clients like JP Morgen, CrossDomain solutions, IIFT, IBM, OCWEN, Cognizant and Dell. Five of our BBM students viz., Miss Sara, Ningambika, Bhavya, Sangeetha, Swetha got selected in the campus interview conducted by IIFT Pvt. Ltd., during the academic year 2010-2011

38. Development Program for Non-Teaching Staff.

The Administrative staff are qualified and as and when required they are given training by the firms who have provided software.

39. Healthy Practices:

The College has commendable healthy practices to shape the growth and performance of both the college and the stakeholders. Healthy inter-personal relation prevails between teachers and students because of the mentor system.

- **Attendance Record:** the lecturers meticulously record attendance of the students every hour. The Attendance Committee monitors the registers every month and the list of defaulters is prepared and the parents are informed of their wards irregularity.
- **Discipline committee** formed with a convener and four members keep constant vigil to maintain discipline in the college.
- **Work Diary** is maintained by the faculty, which is checked every month by the Heads of all the Departments and the Principal.
- **National festivals** like Independence day, Republic day are celebrated.

- **College Souvenir** 'Matru' is published.
- **The College NSS** unit actively participates in the community services and social development programmes.
- The college emphasizes on starting the day with a prayer and a minute silence for world peace.
- **Group Insurance** is provided for the welfare of the students.
- College educational trip is arranged every year.

40. Linkages developed with National/ international, academic/Research Bodies:

The college has signed a memorandum of understanding with two reputed colleges, i.e., Sri Bhagawan Mahaveer Jain College, Belgaum and ASC Degree college, Bangalore.

The MOU include the specific areas mentioned here under and in the realms explained here as under:

1. Content and Course development.
2. Faculty Development Programmes.
3. Student Exchange programmes.
4. Learning resources exchange programme.
5. Promotion of Joint research.
6. Organizing of conferences and academic events.
