Student Satisfaction Survey (SSS) on overall institutional performance and the action taken report, 2018-2019

The students have expressed their satisfaction over the facilities provided to them in the college to continue their academic activities.

Overall they are very much comfortable with the methodologies being practiced in the college for teaching, learning and evaluation. They have also expressed their satisfaction with respect to infrastructure provided to them.

- Some of the students were facing difficulty in understanding few subjects. To help the student community and give them individual attention Mentorship with different criteria with new guidelines has been introduced in the college for all the courses. Around 25-30 students have been allotted to each Faculty member. We have identified student leaders and have made them as Student Mentors to assist the Faculty member. The faculty mentors also counsel them on academic and personal issues
- As good numbers of students are from financially weaker sections of the society, they had requested for financial assistance to support their family. Hence the college is providing them part-time job in association with M/s UniGrowth Solutions. Around 15 students from I-B.Com have utilised this opportunity. Every weekend they have attended part-time jobs as Asst. HRs etc in various MNCs
- Hygienic and healthy food is made available in the college canteen to the students and staff during lunch break. However, students requested for some light snacks to be added to the menu like cool drinks, chats etc.. The same has been incorporated.
- As per the suggestions of the students Department of Commerce has introduced Skill development projects on Entrepreneurship development for the final B.Com students which they need to complete during final year vacation.
- Under technical skill enhancement program students of B.Com and M.Com offered Basic & Advanced Excel, SPSS and SAS short-term courses
